**SUPPLEMENTAL RESPONSE
(Submitting Revised Declaration)**

Honorable Commissioner For Patents
Washington, D.C. 20231

Sir:

This paper is supplemental to the response submitted on June 16, 2004.

Attached is a revised application in the above application. The revised declaration corrects a typographic error in the patent number referred-to on page 1. It is signed by the receiver in bankruptcy of the current owner of the application.

It is believed that the application is now in condition for allowance. It was agreed at the June 29, 2004 interview that the change from "farthest from" to -closer to- does not broaden the claim, but rather narrows the claim by eliminating an incorrect recitation and substituting a correct one.

Serial Number 09/728,831
Reissue Amendment

For the reasons given in the June 16 response and discussed during the interview, expedited passage of the application to issue is requested.

Respectfully submitted,

BACON & THOMAS, PLLC
